

## DEMOCRATS TELL WHO GAVE TO THE CAMPAIGN FUND

Fourteen Persons Have Contributed \$1,000 Each to Aid Bryan's Fight.

### ONE MAN GIVES A CENT.

Nathan Straus, W. F. Sheehan, De Lancey Nicoll and Jacob Ruppert Contributors.

The Democratic National Committee is preparing to announce next week the amount of its campaign fund and the individual contributors of amounts of \$100 and more. The lists, which have been compiled to date and sent here from Chicago, show that the campaign fund is a little more than \$220,000. Of this fund something more than \$180,000 has been collected by subscriptions. This, with \$40,000 of the Denver convention fund, is the total fund contributed to the Democratic treasury.

It is learned to-day that there have been fourteen individual contributors of \$1,000 each. There have been no contributions of sums between \$1,000 and \$500 to date. The Denver headquarters of the National Committee has collected \$5,000, which is said to include a check of \$1,000 from former Senator William A. Clark, of Montana. The smallest contribution received was one cent, which came in the mail from Monroe, Wash.

### BRYAN HEADING FOR MISSOURI.

CHICAGO, Oct. 9.—W. J. Bryan left here today for Joliet, Ill., en route on a trip through Illinois. After a short speaking tour in this state he will enter Missouri, where he will make a number of addresses. He was accompanied by ex-Gov. David R. Francis, of Missouri, and was escorted to the train by members of the State Central Committee.

### TAFT BUSY WITH HIS CORRESPONDENCE

CINCINNATI, Oct. 9.—Judge Taft had a quiet day to-day. He remained later than usual at his residence and later occupied himself with his correspondence.

### WITH RUDDER GONE, HELPLESS AT SEA

Schooner Earl of Aberdeen, Battered by Gale, Awaits Help From Land.

Rudderless and leaking, her almost helpless condition being the result of suffering in a terrific gale, the British schooner Earl of Aberdeen is awaiting help from Norfolk, Va. She is not believed to be far from the coast. At noon yesterday she was spoken by the Panama liner steamer Alliance, which arrived here to-day.

Capt. Pughover, of the schooner, said he had experienced unusually heavy weather on his voyage from Turks Island to Providence, R. I. Capt. Suterforth, of the Alliance, was able to pick up the United States steamer Prairie by wireless telegraph, and he asked that assistance be sent from Norfolk to the Britisher.

### THREATEN TO LYNCH WOMAN ACCUSED OF KILLING GIRL.

Prisoner Charged With Hacking Victim to Death With Axe, Spirited Away From Mob.

ROANOKE, Va., Oct. 9.—Lucy Mitchell, forty years old, charged with killing Minnie McElroy, a seventeen-year-old girl, with an axe in her home at Union Hall, Franklin County, last night, has been brought to Roanoke Jail for safe keeping. Threats of lynching were made by a mob at Union Hall.

## SHORTS HITS STATE RAILWAY BOARDS

New York Transportation Progress Dead Because of Power Given, He Says.

CHICAGO, Oct. 9.—The third and last day of the convention of the Lake and Gulf Deep Waterway Association has

no presidential possibility listed as an orator, but the attendance was not diminished nor the enthusiasm abated in the closing sessions. Theodore Tilton, president of the association, said: "The Panama Canal Commission, was the principal speaker, discussing 'The Future of Rail and River Transportation.'"

Mr. Shorts expressed himself in favor of necessary laws which provide for wise regulation of railroads, and then discussed the idea of physical operation of railroads by commissions. "The commission," said Mr. Shorts, "will be the wisest, because it will be the people's choice. The danger is not in the commissions as they are now made up, but in the law itself, in the fact that the commission is not a body of experts, but a body of politicians."
